- ☐ Monthly invoice / bank transfer ☐ Card via secure payment link ☐ Direct Debit via separate secure mandate

Invoice frequency _____

Requested service start date _____

I confirm that I am authorised to place this order for the organisation named on page 1. I approve the package, optional services, quantities and charges recorded in the final quotation, including the stated contract term and renewal/payment schedule. SecureObs must provide the final quotation and service terms before the order is activated. This form is not a Direct Debit Instruction; any Direct Debit mandate will be completed separately through the approved payment process.

Authorised signatory name and job title _____
